

All children require early
**ACCESS TO
LANGUAGE**
to reach their full potential

The brain has no preference
for language input —
**SIGNED OR
SPOKEN**

Sign language is the most **ACCESSIBLE PATHWAY** to a language foundation for deaf children

**SOCIAL
SETTINGS**

With early access to language, children can **THRIVE** in...

**THE
CLASSROOM**

**FUTURE
CAREERS**

**ONLY 2% OF THE
32 MILLION**
deaf children in the world receive
education in sign language

**SIGN ON FOR
LITERACY**

ALL CHILDREN READING: A GRAND
CHALLENGE FOR DEVELOPMENT PRIZE

Let's

MAKE LEARNING ACCESSIBLE

for all children
